Walter Rose & Son are a fifth-generation family butcher based in Devizes. They work with a network of British farmers who share their commitment to high-welfare, responsibly reared livestock.

They are the best butcher we've ever worked with which is why we're proud to work with them and serve their produce on our menu.

## **DID YOU KNOW?**

The Fleur de Lys stands at the heart of Cranborne, a village steeped in history on the edge of the ancient Cranborne Chase - once one of England's great medieval hunting grounds and a royal estate. Parts of the pub date back to the 16th and 17th centuries, and its name, meaning "flower of the lily," reflects centuries of heraldic and royal tradition.

The Fleur also has a literary claim to fame - Thomas Hardy knew Cranborne well and drew inspiration from it for his novel *Tess of the d'Urbervilles*. In Hardy's fictional "Wessex," Cranborne appears as "Chaseborough," and the Fleur de Lys becomes the "Flower-de-Luce Inn". Hardy's characters meet here on their way through the Chase, giving the pub a place in English literary history as well as local memory.
